Diploma in Information Technology Graduate

PROFESSIONAL SUMMARY

I am a recent graduate from the Vaal University of Technology with a diploma in Information Technology, majoring in Software Development, Business Analysis, and Web Development. I hold multiple certifications from Cisco Networking Academy and SoloLearn, showcasing my skills in networking, web development, and IT systems.

I am actively seeking internship and graduate program opportunities where I can apply my technical skills, grow professionally, and contribute to innovative projects. Currently, I am developing a resume portfolio website to highlight my achievements and technical abilities.

My goal is to expand my knowledge in the tech industry, continue learning, and make a positive impact as I build my career in IT.

EDUCATION

Vaal University of Technology (2022 – 2024)
   • **Diploma in Information Technology**
